

Dreams and Memories

This is a pen and ink drawing of Miss America, beginning with Atlantic City memories of the boardwalk, "Show Me Your Shoes", Convention center, pile of sand, and the four points of the crown.

After many years, we moved on to Las Vegas, NV which is depicted by the deck of playing card.

CMN (Children's Miracle Network)

In the background is "Old Glory"

This is a limited edition print. Only 300 printed and signed by local Virginia artist.
